Remarks

Discover your boater's paradise on Longboat Key! This is a rare opportunity to build your dream oasis on the last available vacant lot in the exclusive, gated Laguna Yacht Village community of only 9 plots, with 8 beautifully built homes already in place. Nestled on the bay side, this prime lot offers a blank canvas for a custom home in a serene setting. Enjoy resort-style amenities including a community pool, a scenic walkway to a deeded boat slip, and quiet public beach access on the Gulf side. The community, only mildly affected by recent storms, offers a peaceful lifestyle while still catering to boating enthusiasts. Build your personal retreat where luxury and leisure meet!
